Alaskan Truck Simulator download for pc [key serial] Step into the driver's seat! Download Alaskan Truck Simulator for PC, get behind the wheel of a huge articulated truck, and take your rig on an adventure along breathtaking mountain cliffs. Sit back, relax, throw some tunes on your radio and enjoy. As you drive through grand alpine vistas or run alongside gorgeous glaciers or experience urban self-destructions in vibrant cities this is one helluva ride you're never going to forget! With its vast terrain gameplay combined with its deep simulation elements this game offers hours of entertainment that will test your skills as a virtual trucker. Setting off on one of its several official or user-made routes, the player starts an action-packed race across the wilds of Alaska. Drive for hours on old highways through snow-covered mountains or take to the uncharted territories - wild, rough, and unforgiving. Fight crashes, navigate your truck across crevasses, get stuck in snowdrifts or drop into icy rivers. Drive over an endless variety of diverse terrain ranging from desert to forest, over mountains and through deep gorges; discover lush rainforest inlets or hidden inlets in swampy marshes; climb up snowy cliffs to magnificent views... Alaska is waiting for you! In addition to the intense single player mode, Alaskan Truck Simulator also offers a wide variety of multiplayer modes that allow players to compete against each other either in a race against time or in involved tasks that require skill and intelligence. This PC simulator will keep you hooked for hours on end as it allows you to truly test your driving skills and your reflexes under pressure. It offers countless hours of fun and entertainment as you drive across impressive mountain terrain as well as huge stretches of open terrain, fighting your way through adverse weather conditions like fog and rain as well as fighting other truckers or flying around in ATVs. The incredibly detailed scenery brings out the authenticity of this game and you will feel like you are in the beautiful rugged terrain of Alaska. As a trucker, you will need to be in good physical shape and be very attentive to your surroundings as you traverse huge distances in your vehicle. You will also need to keep an eye on all of the gauges and screen messages that will help you know important information about your vehicle: speed, oil pressure, tires' pressure, current gas situation and much more. You'll be interested to know that Alaskan Truck Simulator download for pc [key serial] also includes a tutorial mode so that you can learn what it takes to become a virtual trucker. Alaskan Truck Simulator download for pc [key serial] is a fun-filled, addictive, challenging and realistic driving simulator. It is a must-have for all truck driving fans. It has an open world environment with a huge amount of terrain to explore and a wide variety of terrains to drive on. Drive your truck in the mountains, valleys, desert areas and many different types of roads. Choose between urban environments ranging from highly populated downtown areas to desolate ghost towns or wide open spaces with nothing but trees and wildlife. You will have an array of vehicles to choose from covering all sorts of trucks from monster type vehicles to pickup trucks. These vehicles can be upgraded in many different ways including customizing the paint job.
